

### Summer Gallery 2015

Submissions for *Summer Gallery* run from April 1st to May 29<sup>th</sup> 2015. For a flat rate of \$25, artists can submit up to eight artworks for jury. This fee is non-refundable.

If successful at jury, artists are required to pay a **\$110 rental fee**. This fee allows the artist to display **three pieces** for **one of the periods** outlined below.

Artists can submit and, if they are successful, deliver **up to six artworks**. As artworks sell we will replace them with additional works by the same artist if they choose to submit more than the minimum three.

Artists may not choose a display period. Their work will be displayed at the discretion of the Gallery Coordinator.

Each display period features up to 27 artists at a time. Three of these places are reserved for SFCA artists. SFCA placements are allocated on a first come first served basis. Interested SFCA artists should contact the Gallery Coordinator via [fcagallery@artists.ca](mailto:fcagallery@artists.ca)

**Display Period 1:                      June 23rd - July 19th**  
**Display Period 2:                      July 21st - Aug 16th**

Successful artists must deliver no more than six artworks from their successful application to the Federation Gallery on Granville Island **no later than June 21<sup>st</sup> for display period one and July 19<sup>th</sup> for display period two. Display periods will be announced by June 6<sup>th</sup>**. Works that arrive late will hang last or refused display.

Only three works per artist will be on display at any given time. Each artist is permitted **approximately 6 linear ft.** for display.

Historically, Artists who submit small and lightweight works have had the most success with sales during *Summer Gallery*, as these are easily transported and cheaper to ship to overseas destinations.

- *Summer Gallery* is a juried exhibition.
- Acceptance into *Summer Gallery* does not qualify towards FCA Signature Status Applications.
- There are no awards granted for *Summer Gallery*.
- All works must be ready to hang, available for sale, with the intent to sell.
