

Regulations Regarding Artworks for Exhibition by CVAA Members in the Chilliwack Gallery

- Content must be appropriate for this site.
- Hangings must have a good solid frame and must have strong enough tags on the back to support the weight of the artwork.

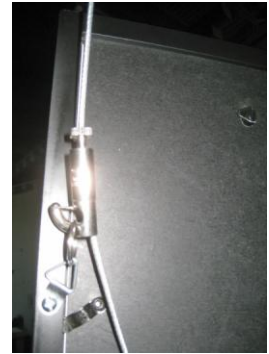

Below are photos of the types of eyelets to be used. These make it possible for the CVAA Hanging Committee to hook them onto the pre-existing hanging system installed at the gallery as shown. Eyelets should be a minimum 4" below top of frame.

Large 1" eyelet not needing split ring

Medium 3/4" eyelet with split ring

Small 1/2" eyelet with split ring

- Exception may occur with textile pieces, wall hangings or 3D pieces.
- Your Art Work Submission Form must be:
 - Filled out
 - Signed
 - Returned to the CVAA Curator or the liaison person along with a \$5.00 hanging fee, when you submit your artwork to the gallery at the assigned date & time for the show.
- Please attach a label of this format on the back of your piece. It must also be attached to 3D pieces if at all possible.
