Pastel Artists Canada, May 22 - June 4, 2017

Muse

Muse, June 6 - 18, 2017

This exhibition offers a fascinating insight to "the artist's muse". Each artist has their own muses or inspiration from which they draw from when creating their own artworks. This inspiration can come from a person, place, object, fellow artist, feeling, story, culture, or history and more besides. Muse the exhibition is a great opportunity to get inside the head of an artist.
