Paintings, by numbers

WELCOME

The aim of the Federation of Canadian Artists is to bring together professional artists, art students and interested lay persons for the encouragement, appreciation and enhancement of the visual fine arts; to promote an improvement in the welfare, recognition and professional standing of practicing artists in the community; to stimulate public interest in the growth of Canadian culture and the work of art by Canadians and to improve the growth of emerging, as well as established artists, through its activities and programs. The proceeds from *Paintings, by numbers* go a long way to supporting these goals and programs. A huge thank you to the contributing artists. Without their generosity the evening would not be possible. Thanks also to the sponsors, volunteers, Board of Directors, staff, service providers, celebrity host and above all, those of you who bought tickets for this fabulous event.

PROCEDURES FOR THE DRAW

Ticket sales for the event are limited to the number of works received. Each ticket sold entitles the holder's name to be drawn at random commencing at 7:00pm. The ticket holder whose name is drawn first will have first choice of any of the donated works. The ticket holder whose name is drawn second will have a choice from the remainder and so on, until all the names are drawn. Each ticket holder is assured ownership of one of the works displayed.

Ticket holders are encouraged to review the art during the preview period and record their preferences in the catalogue. They must be prepared to make their selection within two minutes of their name being called.

There will be several breaks during the course of the evening for reviewing the artwork still available. Contributing artists' names will be randomly drawn throughout the evening for gift certificates generously donated by Opus Framing & Art Supplies.

The attending ticket holder whose name is drawn last will receive a special bonus prize donated by The Federation of Canadian Artists.

If a ticket holder's name is drawn and they are not present, their name will be set aside and returned to the barrel upon their arrival to be drawn at random. Patrons arriving late should advise the staff. Ticket holders who do not attend or provide a designated person to choose on their behalf, will have their names drawn at random at the end of the evening, after all names of those in attendance have been drawn, and matched with one of the remaining pieces of art.
