Announcing: The “Richard Alm” Scholar Award - \$500 CAD

As a valued member of the FCA and an instructor of the Fine Arts, you are uniquely positioned to help your students earn \$500 through the Federation.

The "Richard Alm Scholar Award" is granted to a post-secondary student exhibiting in the Annual International Representational Exhibition 2019. Students applying for this grant gain the experience of submitting to art exhibitions, which has been designed to encourage the self-confidence and competitiveness of student artists.

If only one student is successfully juried into the exhibition, then they take home the award. Otherwise, it is up to the jurors to decide which student wins.

Details of how to apply:

Only exhibitors in AIRE are eligible.

A student must apply to the exhibition and email the Gallery Coordinator to let us know they are a student.

The winner must present a valid student ID upon request of the organization.

Students apply to the exhibition at <https://artists.ca/submissions/view/id/912>

Deadline is August 14th, 2019

Best Regards,
Tarin Mead
