

## ATTENTION VISUAL ARTISTS CALL FOR PROPOSALS

### Exhibit your work at the Waterfront Theatre or Performance Works on Granville Island

---

The Granville Island Cultural Society invites Visual Artists to submit proposals to show their work in the Waterfront Theatre or Performance Works theatre lobbies. This opportunity is open for 4 – 8 week long exhibitions and will run throughout the 2011-12 Theatre Season. Selected Artists will gain exposure by having their work viewed by thousands of Theatre patrons as well as the opportunity to sell their pieces.

The Waterfront Theatre and Performance Works are located in the heart of Vancouver on Granville Island. The theatres are a gathering place for people who come to see the creative and dynamic work of some of the best Theatre Companies and Festivals in Canada, such as the Vancouver International Writers Festival, Carousel Theatre, the Vancouver International Jazz Festival and the Vancouver International Fringe Festival. With an estimated 70,000 people visiting the theatres every year, it is an essential space for Canadian Artists to showcase their work.

#### Details:

We are seeking a variety of artwork in various media types (we ask that submissions do not include sculpture or freestanding art).
